Colleys Winter Perennial Grass (Bromus Unioides) a magnificent and luxuriant growing Winter pasture and hay grass that all who plant it once will be pleased with. Once planted, always planted. Will flourish during the Winter in all the Southern States. Plant 10 to 15 lbs. per acre in the Fall on any kind of land that will make corn or oats. Price 30c. per lb.

### REMARKS.

When small quantities are ordered by mail, add eight cents per pound to cover postage. Please allow for sacks when ordering larger quantities, which cost about as follows: ¼ bushel sacks, 5c.; ½ bushel sacks, 5c.; 1 bushel sacks, 5c.; 2 bushel seamless bags, 20c.; 2 bushel Burlap sack, 10c. If goods are to be shipped by common freight, allow 25 cents to cover cartage to depot on all quantities of a dray load or less.

### TERMS, CASH WITH ORDER.

*Grass and Clover Seeds are invariably Spot Cash, and we never send them out any other way.*

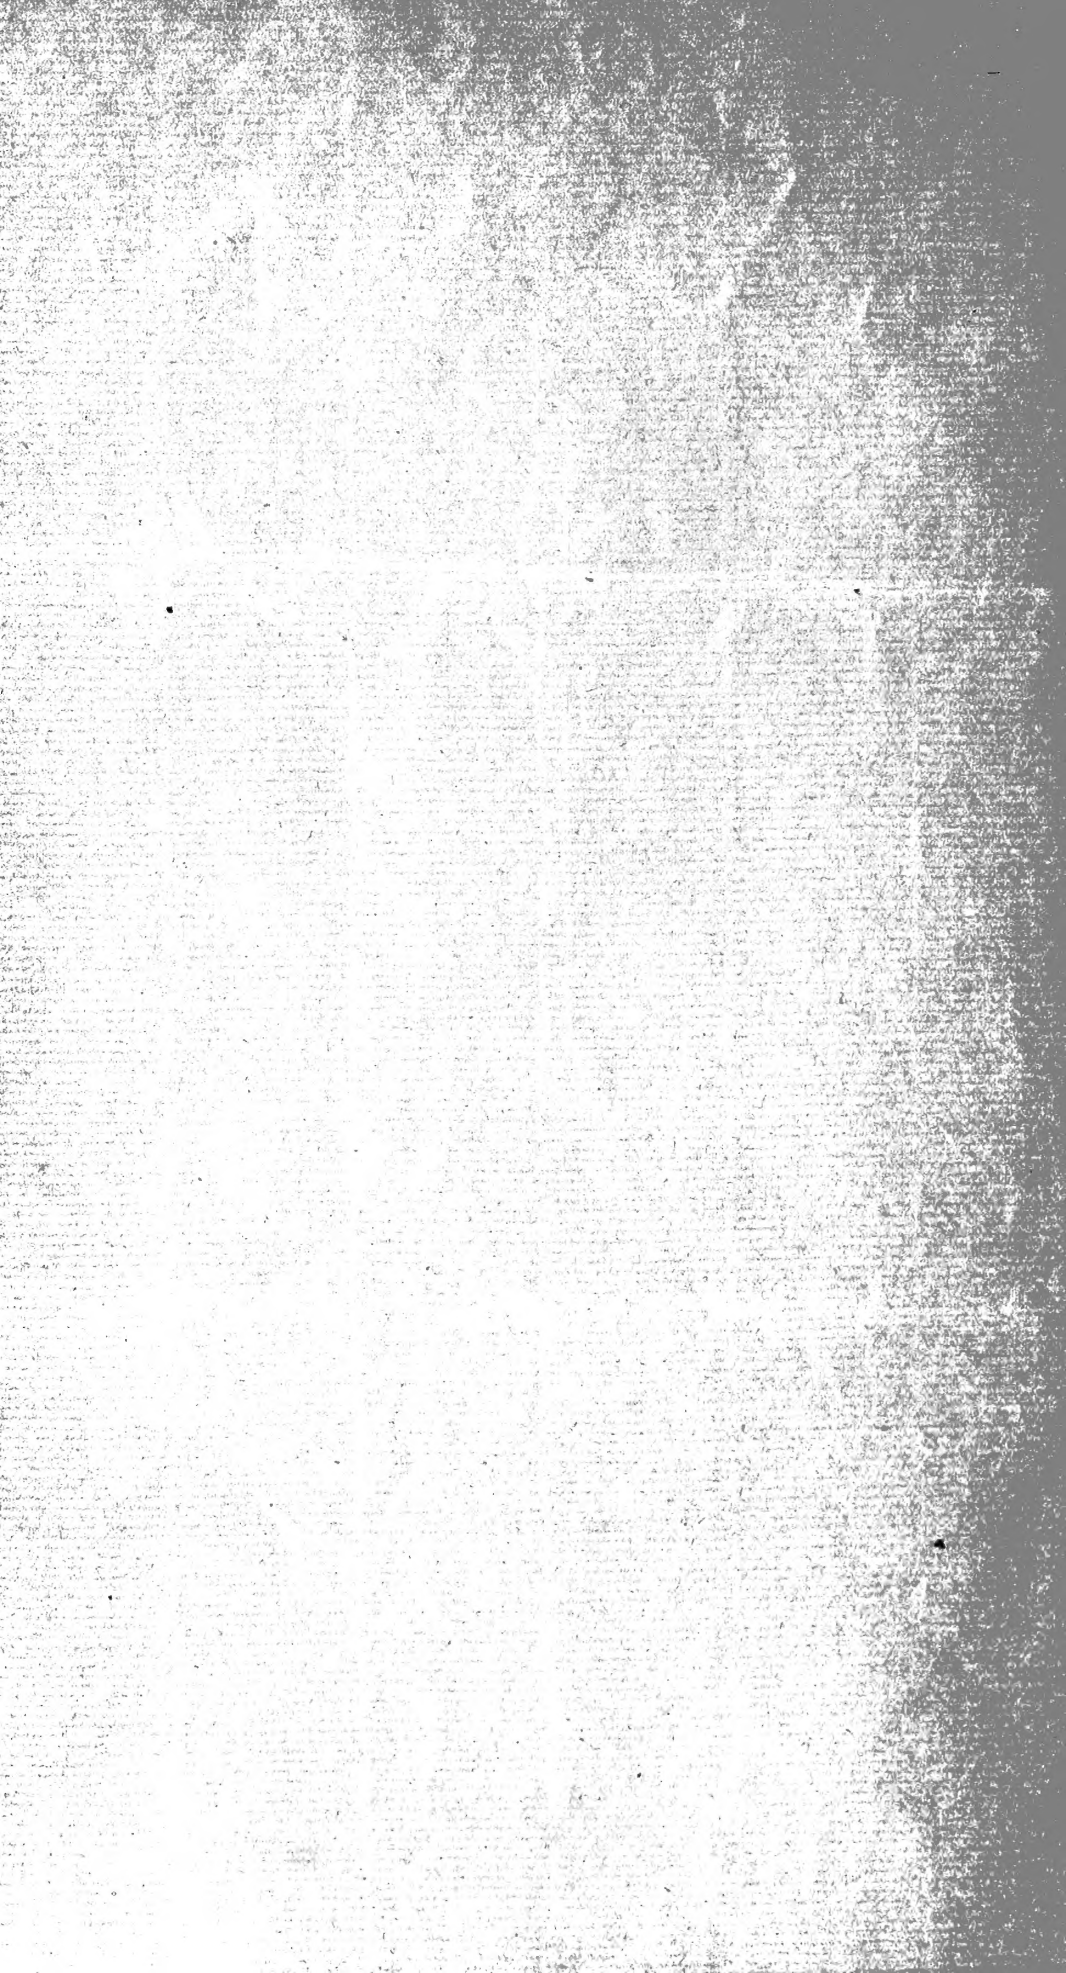

When half the value comes with order, we will ship by Express or Freight, collecting the balance on delivery. When there is no Express Office or Bank, full remittances must accompany order. Remit us either by Express, Registered Letter, or P. O. Money Order, or New York Bank Exchange, to guarantee prompt attention.

Our leaflet, "HOW TO SOW GRASSES AND WHEN," sent free to all who apply. Our Book, "HOW TO PLANT," containing practical and brief instructions for planting all crops, sent by mail for 60 cents.

Please give your Post-office and name and shipping directions in full and plain.
